DSMZ Deposit No. DSM ACC2629**Australia**

The applicant hereby gives notice that the furnishing of a sample of a microorganism shall only be effected prior to the grant of a patent, or to the lapsing, refusal or withdrawal of an application, to a person who is a skilled addressee without an interest in the invention (Regulation 3.25(3) of the Australian Patents Regulation).

Canada

The applicant requests that, until either a Canadian patent has been issued on the basis of an application or the application has been refused, or is abandoned and no longer subject to reinstatement, or is withdrawn, the Commissioner of Patents only authorizes the furnishing of a sample of deposited biological material referred to in the application to an independent expert nominated by the Commissioner.

Denmark

The applicant hereby requests that, until the application has been laid open to public inspection (by the Danish Patent and Trademark Office), or has been finally decided upon by the Danish Patent and Trademark Office without having been laid open to public inspection, the furnishing of a sample shall only be effected to an expert in the art. Any request made by a third party for the furnishing of a sample shall indicate the expert to be used. That expert may be any person entered on a list of recognized experts drawn up by the Danish Patent and Trademark Office or any person approved by the applicant in the individual case.

Finland

The applicant hereby requests that, until the publication of the mention of the grant of a patent by the National Board of Patents and Registration or for 20 years from the date of filing if the application has been finally decided upon without resulting in the grant of a patent by the National Board of Patents and Registration, the furnishing of a sample shall only be effected to an expert in the art. Any request made by a third party for the furnishing of a sample shall indicate the expert to be used. That expert may be any person entered on a list of recognized experts drawn up by the National Board of Patents and or any person approved by the applicant in the individual case.

Iceland

The applicant hereby requests that, until a patent has been granted or a final decision taken by the Icelandic Patent Office concerning an application which has not resulted in a patent, the furnishing of a sample shall only be effected to an expert in the art. Any request made by a third party for the furnishing of a sample shall indicate the expert to be used. That expert may be any person entered on a list of recognized experts drawn up by Icelandic Patent Office or any person approved by the applicant in the individual case.

Norway

The applicant hereby requests that, until the application has been laid open to public inspection (by the Norwegian Patent Office), or has been finally decided upon by the Norwegian Patent Office without having been laid open to public inspection, the furnishing of a sample shall only be effected to an expert in the art. Any request made by a third party for the furnishing of a sample shall indicate the expert to be used. That expert may be any person entered on a list of recognized experts drawn up by Norwegian Patent Office or any person approved by the applicant in the individual case.

DSMZ Deposit No. DSM ACC2629**Singapore**

The applicant hereby requests that the furnishing of a sample of a microorganism shall only be made available to an expert.

Slovenia

The applicant hereby requests that the furnishing of samples to a third party is subject to the condition that that party: (a) has the right to demand that a sample of the microorganism be made available; (b) has undertaken to ensure that the applicant does not authorize access to the sample of the deposited microorganism to any third party before the expiry of the prescribed period of validity of the patent.

Spain

The applicant hereby requests that, until the publication of the mention of the grant of a Spanish patent or for 20 years from the date of filing if the application is refused or withdrawn, the biological material shall be made available as provided in Article 45 SPL only by the issue of a sample to an independent expert.

Sweden

The applicant hereby requests that, until the application has been laid open to public inspection (by the Swedish Patent Office), or has been finally decided upon by the Swedish Patent Office without having been laid open to public inspection, the furnishing of a sample shall only be effected to an expert in the art. Any request made by a third party for the furnishing of a sample shall indicate the expert to be used. That expert may be any person entered on a list of recognized experts drawn up by the Swedish Patent Office or any person approved by the applicant in the individual case.

Switzerland

The applicant hereby requests that the furnishing of samples to a third party is subject to the condition that that party indicates to the depository institution its name and address for the purpose of information of the depositor and undertakes: (a) not to make available the deposited culture or a culture derived from it to a third party; (b) not to use the culture outside the purview of the law; (c) to produce, in case of a dispute, evidence that the obligations under items (a) and (b) have not been violated.

The former Yugoslav Republic of Macedonia

The applicant hereby requests that the furnishing of samples to a third party is subject to the condition that that party: (a) has a right to demand that a sample of the viable biological or microbiological material be made available; (b) has undertaken to ensure that the applicant does not authorize access to the sample of the deposited viable biological or microbiological material to any third party before the expiry of the prescribed period of validity of the patent.

United Kingdom

The applicant hereby gives notice and requests that a sample should be made available only to an expert.
